

MEDICINAL HERB CONSORTIUM

Order the 2007 Sample Pack

The MHC is proud to offer the 2007 Sample Pack, an assortment of samples of fresh dried, domestically and ecologically grown Asian medicinal herbs.

Samples are packaged in recloseable heavyweight plastic bags, labeled with the farm of origin, and shipped in a sturdy cardboard carton. Descriptions of the farms are included. The Sample Pack is an ideal study aid for students, and makes an attractive display for dispensaries and professional offices.

Last year's Sample Pack, which featured 34 products of eight growers in five states, sold out. Buyers told us they had never before seen such fresh, aromatic and colorful samples. Varying each year, the samples in 2006 were:

ài yè , bái jí lí, bái sháo, bái zhǐ, bǎn lán gēn, bàn zhī lián, bó hé, cāng ěr zǐ, chòu wú tóng, dà huáng, dà zǎo, dān shēn, fáng fēng, fèng xiān (tòu gǔ), gǒu qǐ zǐ, guā lóu shí, hóng huā, hǔ zhàng, huáng bǎi, huáng bō luó guǒ, huáng qín, jiao gu lan, jié gěng, jīng jiè, jú huā, mò hàn lián, shān yào, shé chuáng zǐ, tú yī zhī hāo, wǔ wèi zǐ, yú xīng cǎo, zhī mǔ, zǐ sū yè , zǐ wǎn
